Generate text prompt

Picture 4

The screenshot displays a web application interface for generating images. At the top, a text prompt area contains the text "a rose garden, a ray of sunlight fell on the ground". Below this, there are buttons for "Add modifiers", "Negative", "My prompts", and a checkmark icon. A section titled "AI Models" shows a grid of model thumbnails: DaVinci2, Realismo, Artflow, Deep Style, Photonic, Ideogram, Flux, and AI Vision. Below the models, there are buttons for "Start Image" and "Enhance", and dropdown menus for "Effect - 60%" and "Resolution". A small thumbnail of the generated image is shown. At the bottom, a table lists the generated images with columns for Date, Model, and Size. The first entry shows "Sep 30, 2025", "DaVinci2", and "824x1240". To the right of the table are "Delete" and "Download" buttons.

Date	Model	Size
